

Katsuya Suto (S'11-M'16) received the B.Sc. degree in computer engineering from Iwate University, Japan, in 2011, and M.Sc. and Ph.D. degrees in information science from the Tohoku University, Japan, in 2013 and 2016, respectively. Currently, he is a Postdoctoral Fellow with the Department of Electrical and Computer Engineering, University of Waterloo, Canada. His research interests lie in the area of disaster resilient networking, software defined networking, and mobile cloud computing.

He was the recipient of the Best Paper Award at the IEEE 79th Vehicular Technology Conference in 2013 (VTC'13-spring), the IEICE Academic Encouragement Award in 2014, the IEEE VTS Japan 2015 Young Researcher's Encouragement Award, the Best Paper Award at the IEEE/CIC International Conference on Communications in China in 2015 (ICCC'15), and the Best Paper Award at the IEEE International Conference on Communications in 2016 (ICC'16).
